

**Comprehensive  
Health Services**

Workforce Health Solutions Made Easy

# International

We provide a wide range of medical services overseas, including managing and staffing onsite health clinics and hospitals for the U.S. government and prime contractors.

Companies turn to us to provide primary health care and resuscitative surgical care outside of the United States, in accordance with U.S. standards of medical care, 24 hours a day, 7 days a week, 365 days a year.

Our network of 9,500+ doctors, nurses and other health care professionals has a global reach that includes North America, Europe, the Middle East, Latin America, and Asia Pacific. Locations where we have operated include Iraq, Afghanistan, Kuwait, United Arab Emirates (Dubai), Kosovo, Liberia, Haiti, Guam, Indonesia, the Marshall Islands, the United Kingdom, Japan, Malaysia, Puerto Rico, Saipan, and the Virgin Islands.

## Medical services we can provide include:

- Acute, urgent, and initial emergency care and stabilization
- General medical, surgical, cardiac, orthopedic, gynecologic, dental and mental health support
- Triage, stabilization, and evacuation of patients to the next higher level of medical care
- Care and observation of patients for up to 72 hours until stabilized or medically evacuated
- Basic X-ray, lab, and EKG
- Trauma bays in the emergency medical and trauma units for care and stabilization
- Post-operative/intensive care capabilities
- Routine health care exams

## Additional services we can provide include:

- Food and water inspection
- Ambulance service
- Mortuary assistance
- Telemedicine
- Annual physical exams
- Aero/ground evacuation assistance
- Medical supplies and equipment
- Public health services
- Veterinary services
- Drug testing
