Workforce Health Solutions Made Easy

# International

Founded in 1975, Comprehensive Health Services, Inc. is one of the largest and most experienced providers of workforce medical services.

We provide a wide range of medical services overseas, including managing and staffing onsite health clinics and hospitals for the U.S. government and prime contractors.

The U.S. government and prime contractors look to us to provide primary and resuscitative surgical care, 24 hours a day, 7 days a week, 365 days a year. These services are customized to meet the unique needs of government civilians, military personnel, contractors, third-country nationals, local nationals, and coalition forces.

Our network of approximately 9,500+ doctors, nurse practitioners and other health care professionals has a global reach that includes North America, Europe, the Middle East, Latin America, and Asia Pacific.

Locations in which we have operated include: Iraq, Afghanistan, Kuwait, United Arab Emirates (Dubai), Kosovo, Liberia, Haiti, Guam, Indonesia, the Marshall Islands, the United Kingdom, Japan, Malaysia, Puerto Rico, Saipan, and the Virgin Islands.

## Our medical services include:

- Acute, urgent, and initial emergency care and stabilization
- General medical, surgical, cardiac, orthopedic, gynecologic, dental and mental health support
- Triage, stabilization, and evacuation of patients to the next higher level of medical care
- Care and observation of patients for up to 72 hours until stabilized or medically evacuated
- Basic X-ray, lab, and EKG
- Trauma bays in the emergency medical and trauma units for care and stabilization
- Post-operative/intensive care capabilities

## Additional services we can provide include:

- Food and water inspection
- Ambulance service
- Mortuary assistance
- Telemedicine
- Public health services
- Veterinary services
- Annual physical exams
- Aero/ground evacuation assistance
- Drug testing
